

Facilitator Coordination Guide

Jurisdiction	INTERNAL — BUSINESS
Suggested audience	Operations simulation
Topics	facilitator · availability · travel · allocation

This resource is invented for software demonstration and retrieval testing. It is not endorsed curriculum guidance, a statement of cultural authority, or a substitute for consultation with relevant communities and official curriculum bodies.

Allocation checks

Check program capability, date and time, travel feasibility, working-with-children requirements and declared access constraints before proposing a facilitator.

Synthetic availability

The demonstration roster contains eight available Victorian facilitators next week. This number is invented and must not be presented as live availability.

Confirmation rule

Availability is not a commitment. Final allocation requires a current roster query and explicit confirmation through the booking system.

Planning prompts

What should students understand or be able to do after the experience? Which claims require verification? How will students reflect without being asked to represent a culture? What access adjustments should be discussed with the provider?

Publication note
